

Feb 2022 Demo Reel Shot Sheet

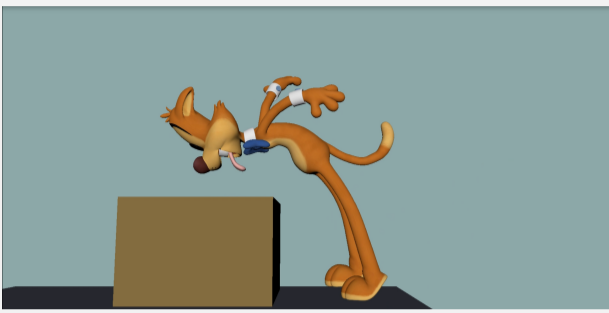

Paint the Town

Responsible for Film Direction and Character Animation

Maya

Showcases camera animation that complements the character animation. Demonstrates dynamic prop animation.

Snooping Cat

Responsible for Character Animation

Maya

Practice animating a flexible rig in a traditionally cartoony style of animation.

Home on the Range

Responsible for Character Animation

Maya

Demonstrates visual storytelling through cause and effect with over-exaggerated reactions.

Raptor Run Cycle

Responsible for Character Animation

Maya

Study of the runcycle of bipedal creatures.

Tiger Walk Cycle

Responsible for Character Animation

Maya

Study of the walk cycle of predatory animals and creatures that have similar anatomy.

Stalking at Dusk

Responsible for Character Animation

Maya

Captures the naturalistic locomotion of tigers.

Runnin' n Gunnin'

Responsible for Character Animation

Maya

Combines visual storytelling, acting and extreme body mechanics.

Satisfaction

Responsible for Character Animation

Maya

Demonstrates character acting through dialogue and prop animation.

Motherly Moment

Responsible for Character Animation

Maya

Showcases character acting and thought process through dialogue.

The Power of Earth

Responsible for Character Animation

Maya

Practice animating choreographed movement that flows from one pose to another sequentially.
